Principal Coaching Program

Professional Development for Principal Coaches in the Long Beach Unified School District

PROGRAM OVERVIEW

The New Principal Support Program and the Clear Administrative Credential Program (CACP) provide additional training and coaching support to newly promoted LBUSD principals and administrators during their first and second year in their new position. New Principal and CACP Candidate Coaches receive professional development and support, as well. The Coaching Program builds on the pipeline work of Equity Leadership & Talent Development to consistently develop a steady stream of school administrators who are current in district philosophy and practice.
